Dear Parents,

As the holiday season approaches, I would like to take the opportunity to wish you a happy holiday and a healthy new year. 21st Century began this year with a bang. We have offered your children many varied activities, both in the academic and art areas. Your children have had many classes to choose from; among them are chess club, reading, math, dance, art, cooking, credit recovery and basketball.

We are now introducing the grand opening of our library, which will open the week after break, on January 11th. Library hours will be Monday through Wednesday, from 7:30-8:00 a.m., and Thursday, from 3:00-4:00 p.m. This will give your child an opportunity to catch up on reading or homework. Remember, it is never too late to sign your child up for 21st Century. If your child has not enrolled in 21st Century, please check areas of interest below and we will place your child in a class.

Part of 21st Century is offering activities to parents, as well. This year, many parents enjoyed 'Cooking on a Budget,' 'Dance with Denise,' and *Computer Skills*. In January, we are going to be offering **Project Literacy**, where parents will learn writing skills and compile their work into a book to present to their children. More information will be provided closer to the time. If you are interested in joining, please sign below and return this form to school with your child. We always appreciate your input and if you have any activity that you would like to see, please let us know.

Vivian Garfunkel
Director of 21st Century
