- Chess Championship is in its first round. Classification: Maurice Stallworth, 2 Pts (1 game); Kurtz Jackson, 4 Pts ( 2 games); James Jones, 2 Pts ( 2 games). Very interesting games are experiencing Chess Club members. Chess Championship is going too emotional in its way. (submitted by **Arqile Pipa**)
- The "Go Hard" Talent Show participants took a fun day trip to the Science Center this week! We played in the interactive exhibits and saw a movie about the Hubble Telescope at the Omnimax Theater. Our group consisted of 21 students attended ranging from elementary students to high school seniors. We took lots of pictures of this wonderful experience, so stay tuned!
