**21<sup>st</sup> Century News**

- Basketball time is here and the Virtual Schoolhouse Wizards are up and running. Our team consists of 2 young ladies and 12 gentlemen. We have held three practices and have made positive strides already. The Charter School league is being sponsored by the Greater Cleveland YMCA which held a coaches meeting last week, I was very proud of our team as we were the first to have all of our registration forms in and the first high school to begin practicing. Our team is hard working and anxious to begin its season on Saturday October 24, 2009. We are looking forward to having a successful year.
- A group of Middle School students participated in our BLAST! program which will certify them to become babysitters. (see attached photos)
- **Ms. Ilie** and **Ms. Brunecz** are teaming up their groups of drama and dance to provide "*Fairy Tale Reader's Theater*" which will be presented to our student body at a future date. We are excited to see such talent developing while students are accomplishing goals of the drama/arts program, such as improving vocal projection.
- High School students have requested a student council program through 21<sup>st</sup> Century. It is in the planning stages.
- **Social Entrepreneurship**: Students are planning a business and hope to work with student council to use funds to finance prom.
- Parent University presents "Cooking on a Budget" with **Chef David Weisberg** on Tuesday, October 27 from 3:15 to 4:30 in the ballroom.
