## 21<sup>st</sup> Century News

**November 24, 2009**

- The **VSH Wizards** had a scrimmage Saturday, November 21<sup>st</sup> and did a great job. The boys played hard and never gave up. While they fell short 32-36, we played very well. We also had a great showing of fans, as students, faculty staff and our cheerleaders all came and gave wonderful positive support for the boys. Thanks to all of you that came and supported our student athletes they greatly appreciated it. (submitted by **Coach Larry Petroff**)
- Our Parent University class, **Dance with Denise**, was a hit this week! A number of students and parents arrived with smiles and energy. Thank you, **Denise Arra**, for leading a wonderful, healthy class for all to enjoy!
