Great Happenings

- Science Fair is taking place next Thursday, January 14. Almost 100% of middle school students were in compliance with the updated dress code policies. OAT kickoff is taking place next Friday, January 15. (submitted by **Dan Rose**)
- In-home is growing and we are excited! In-home students are encouraged to participate in (In-home) peer counseling. OGT scores are coming back soon and we are hoping we did better then ever. Alternative Assessments' are coming along great. In-home always reaches out to students even after graduation, our door is open for all in home students who need advice or resume help.
