

VSH Great Happenings

SEPTEMBER 18, 2009

- Kindergarten learned all about family, school and leaders this week. We want the world to know that: My family is special. They mean the world to me. They bring me lots of happiness and take good care of me. My family is special. That's why I love them loads. My family is special. I want the world to know. Also, Kindergarten celebrated the beautiful weather and end of summer with an Ice Cream Party! (submitted by **Mariana Greavu**)
- 7th & 8th grade earned a Pizza Picnic this Friday for having so many students who exhibit good behavior, come to school in uniform, and are respectful to other students and staff. We're really trying to work on positive reinforcement in Middle School this year. (submitted by **Heidi Brown**)
