Great Happenings

- Elementary has won a contest from Disney Radio's 'Move It' challenge! They will have a dance party on 12/10/09 from 1-2pm. (submitted by **Michelle Pinozzi**)
- We learned all about our state of the month, Florida and our country of the month, Greece this week. We had fun learning and working in our centers: writing, math, social studies, science, friendship, computer and listening this week. We worked our classroom poem this week: *In our room we have girls and boys. Lots of shows, closets, a furry coat. We even have a reading boat.* (submitted by **Mariana Irimies**)
- Students of the Month for November!
