Great Happenings

- My 5th period Social Studies OGT prep class is working on their Multiple Intelligence projects that represent the culture of the 1920's in the United States. Each student is completing a different project that represents their Intelligence strength based on Howard Gardner's Multiple Intelligences. Projects include: A mix CD of Jazz Music, a collage of important images from the 1920's, Autobiographies of important figures of the 20's, timelines and a diary of Amelia Earhart. (submitted by **Jenna Salupo**)
- 2nd Grade is learning about different cultures and traditions. During our Social Studies lesson, students were exploring Lithuanian culture. We tasted Lithuanian food and listened to Lithuanian music.
