Dear Parents/ Guardians,

The purpose of this letter is to provide you with further information about free Supplemental Education Services (SES)

Because of *No Child Left Behind Act* provisions and the with VSH entering its fourth year of school improvement, your child may be eligible to receive extra help in reading and mathematics. You can receive this free tutoring if your family meets the eligibility requirements and other income limits under Ohio law.

School Improvement means that Virtual Schoolhouse did not meet Ohio's goals in reading, mathematics, attendance or graduation for two years in a row or more. Virtual Schoolhouse has been identified for improvement because it has not made Adequate Yearly Progress in Ohio's Achievement Tests for at least four years in a row.

You can now choose a free tutoring program that is best for your child. Virtual Schoolhouse will provide assistance in selecting an approved provider, if requested. A list of approved free tutoring providers is enclosed. To view an extended list of other approved providers, please go to the SES provider page on the ODE website, <http://dnet01.ode.state.oh.us/ses/ProviderLookup.aspx>.

These programs have been approved by the Ohio Department of Education and will provide your child with tutoring that is coordinated with what is being taught in your child's school. The availability of this free tutoring may be limited based on eligibility and the amount of interest.

Please call Eli Greenfeld at 216-541-2048 x. 214 or email at him egreenfeld@virtualschoolhouse.org if you have any questions about these services. If you would like to select a tutor now, you can fill out the enclosed provider selection form and mail it back to Eli Greenfeld at 736 Lakeview Road, Cleveland, OH 44108.

Finally, if you do not wish to sign up for these services, you may also transfer your child to another school NOT in school improvement.

Thank you,

Virtual Schoolhouse Administration
